TECHNOLOGY CENTER 2800

The Decision on Petition dated January 12, 2001 granted Applicants' secondary petition for revival of this application under 37 CFR 1.137(b) but indicated that the primary request to withdraw the holding of abandonment was denied because Applicants did not satisfy the requirement of submission of a copy of the docket record where the non-received office action would have been entered had it been received. The Decision noted that Applicants are required to provide a docket record for April 25, 2000, indicating all applications for which a response was due on said date.

In response, Applicants submit herewith the docket record for all actions due on April 25, 2000. The non-received office action would have been entered on this docket record had it been received. This docket record contains no item due for Application No. 09/380,312 (Attorney Docket Number JEL 30763).

Accordingly, the Petition filed September 21, 2000 supplemented by the present Supplemental Petition, provides a showing that a Notification of Missing Requirements dated February 25, 2000 was never received by the undersigned or by the law firm of which he is a member.

Accordingly, it is submitted that the Notice of Abandonment which has issued in this application should be withdrawn under *Delgar v. Schulyer*.

A new Notification of Missing Requirements, with a new mailing date and due date, is respectfully requested.

Any required fee for this Supplemental Petition may be charged to Deposit Account No. 19-4375. Refund of the fee for the petition to Revive is respectfully requested by crediting the fee under 37 CFR 1.137(b) to Deposit Account No. 19-4375.

Respectfully submitted,

James E. Ledbetter
